

## Uncanny X-Men 15 – Girls' Night Out

*(Thanks for your help! Did you read the TAKT Crewditions Primer on the Crewditions page here? <http://theaudioknightstheatre.com/crewditions/> We recommend you start there before you start recording! Also, when you send in recordings of yourself, record yourself voicing each section of your character dialogue **THREE** times, and read it with different emphasis on the emotion each time – we'll pick the take that sounds the best!)*

Cuckoo Sister 1(annoyed): Where were you Miss Rasputin? Where do you go?”

Celeste(annoyed): “Seriously, Ms. Rasputin, where do you go when you're not here?”

Ilyana Rasputin: “None of your business, Celeste. Being that **I'm** the professor and \*you're\* the students. And if any of you Stepford Sisters try to read my mind against my will I will turn you into toads.”

Celeste: “Can you do that?”

Ilyana Rasputin: “It's turning you back that I have trouble with...why are you all in my room?”

Eva(nervous): “It's kind of my fault, actually.”

Cuckoo Sister 3(sarcastic): “We were sitting around what you guys have decided is a kitchen.”

Eva: “Even though a blind person can see it used to be an operating theatre to create horrible mutant experiments like Wolverine.”

Cuckoo Sister 3: “And Eva here, came in and said:”

Eva: I don't have anything to wear. Because, you know, I don't.”

Cuckoos Sister 2: “And then **I** remembered that I don't have anything at ALL. Especially anything that resembles decent soap or shampoo.”

Eva(yelling): “Oi! Jean Grey!”

Jean(puzzled): “What's going on?”

Eva: “Jean Grey, get in here. Basically, we all...”

Jean: “What is this?”

Eva: “All of us need to go out and get things.”

Celeste: “A **lot** of things.”

Jean(groaning): “Oh GOD, yes. I've been wearing this since, like, 1963.

Ilyana(annoyed): “Okay, all right, I told you, I'll go get whatever you need. Go make a list. What?”

Eva(sheepishly): “We don't want you to judge us.”

Ilyana(perplexed): “Judge?”

Cuckoos Sister 2: “We're all X-Men.”

Cuckoos Sister 3: “Powerful women standing on our own two feet.”

Eva: “Standing up for what we believe in.”

Cuckoos Sister 3: “Standing up for all of mutantkind.”

Eva: “Strong...”

Celeste: “Independent woman.”

Eva: “Yes, exactly.”

Ilyana(unimpressed): “And...?”

Eva(beaming): “We want to go \*shopping\*.”

Celeste(excited): “Don't judge. We want to go \*shopping\* shopping! Like NORMAL people.”

Cuckoos Sister 2: “Like normal girls our age.”

Jean: “Like the girls we see on TV?”

Eva: “And read about in books.”

Jean: “We have books?”

Eva: “We need to buy books. We have no books.”

Cuckoos Sister 2: “And they say there are these things where you can hold like all your favorite songs in one place.”

Ilyana: “Okay, so go shopping.”

Eva(convincing): “You need to take us.”

Celeste: “What she means to say is: We would like you to come too. Girls' night.”

Cuckoos Sister 3: “Girls' night out.”

Ilyana(redirecting): “Don't ask me. Ask Emma Frost.”

Eva: “We came to you first.”

Ilyana: Why?

Cuckoos Sister 3: "Because you're the nicer one."

Ilyana: "I'M the nice one?"

Celeste: "I know, right?"

Cuckoos Sister 2: "And she told us never to wake her."

Celeste: "Like, ever."

Ilyana: "Well, we're not going anywhere without her."

Emma Frost: **snoring sounds**

Cuckoos Sister 3: "Ms. Frost sleeps like a toddler."

Eva: "A toddler dressed like a teenager."

Emma: "Get out."

Jean: "Uh..."

Eva(optimistic, plucky): "Hi!"

Cuckoos Sister 2: "We want to go shopping."

Emma(snapped lucid): "Oh, God yes. Yes. Like normal people. Let's go."

Cuckoos Sister 3: "But we don't know where to go and we don't have any money."

Emma: "Money. Right..."

Celeste: "Oh..."

Cuckoos Sister 3: "...my..."

Cuckoos Sister 2: "...god."

Jean: "Is this yours?"

Emma: "We're a team. It's OURS. But it's really mine."

Ilyana: "Where did this come from?"

Emma: "Girls, I was the White Queen of the Hellfire Club, the most exclusive elite club in the world...I have money."

Eva(happy): "Okay, where are we going?"

Cuckoos Sister 3: "Where's the best shopping in the world?"

Cuckoos Sister 2: "New York!"

Celeste: "Oh, my god, Paris."

Emma: "Ladies, please, I have this. PRYDE! Suit up! You're coming with us."

Kitty: "Is there a new mutant? Is it sentinels?"

Scott(alerted, worried): "Should I get the team together?"

Emma: "Not you, Summers. Her. We're going shopping."

Kitty(nonplussed, hint of sarcasm): "Oh, no. That's okay."

Emma: "Professor Pryde, you've been wearing that outfit since, like, 1980. You're coming with us."

Cuckoos Sister 2: "Girls' Night Out."

Jean(earnest): “Professor K, it's my first time ever going out with girls my own age. Please don't leave me alone with the scary, mean Stepford Sisters.”

Cuckoos Sister 3: “We can hear you.”

Jean: “I know.”

Kitty: “Where're we going?”

Cuckoos Sister 2: “So, I declare we do this any day we're not being hunted or attacked for being mutants.”

Celeste(disappointed): “We should have invited the guys.”

Cuckoos Sister 3: “What for?”

Eva: “Really! They have no place here. My last boyfriend and I actually broke up on a day like this. We made the right choice.”

Kitty: “That is sexist.”

Eva: “Doesn't mean it's not true.”

Emma: “Where to now?”

Jean(groaning): “Starving.”

Kitty: “Me too.”

Jean: “That was disgusting.”

Kitty: “That was AMAZING.”

Jean: “That's what I meant. But I feel disgusting.”

Eva: “Hey, Jean Grey, can I ask you a question?”

Jean(annoyed): “Jean.”

Eva: “What?”

Jean: “You keep calling me Jean Grey, Eva, as if it's my first name. Just Jean. Jeanie.”

Eva: “Why do the Stepford Sisters hate you?”

Jean: “Because I grow up to be something that intimidates them...”

Cuckoos Sister 2: “Excuse me.”

Jean: “And Celeste there THINKS she's mad at me about that, even though I haven't grown up to become that thing yet.”

Cuckoos Sister 2: “We can hear you.”

Jean: “I know.”

Jean(angry): “Am I wrong? You have a HUUUUGE problem with me and it's completely based on nothing I've actually done.”

Cuckoos Sister 2: “You shouldn't even be here.”

Jean: “I was invited.”

Cuckoos Sister 2: “I mean in this time period.”

Jean: “I get it. You don't care for me BUT your sisters really like me...”

Cuckoos Sister 3: “Jean...”

Jean: “And the only reason they're not sitting over here is because you are SUCH a queen bee...”

Cuckoos Sister 2: "Oh really!"

Ilyana(sarcastic): "This is nice."

Kitty: "They might kill each other and set off another mutant civil war."

Ilyana: "Yeah, but still..."

Cuckoos Sister 2: "Is THAT true."

Jean: "You know it is."

Emma(stern): "Ladies..."

Cuckoos Sister 3: "Something's wrong."

Emma: "You're right. Let's go."

Eva: "Love love LOVE being an X-Man person. You never know what's going to happen next!"

Jean(sarcastic): "Sure it's all fun and games until you die and come back to life and/or get stuck here in a time travel snafu."

Kitty(saddened): "If you're LUCKY."

Cuckoos Sister 2: "I can make everyone go to sleep so we can deal with whatever this is quickly."

Emma: "No. Just gently disperse the crowd."

Cuckoos Sister 2: "That's more trouble than it's worth."

Emma: "So is not listening to me."

Celeste: "I'll do it."

Jean: "I need to learn how to gently command multiple people at once."

Kitty: "Everybody stay back."

Ilyana: "Except for me."

Kitty: "Of course."

Emma: "Can you read its mind?"

Jean(straining): "I'm trying. What IS that?"

Celeste: "Why can't I meet its mind?"

Kitty: "What is this?"

Jean: "Global terrigenesis."
